Our Ref: Works Package 3 (2018/2019)

Date:04/05/2018

Improvements in Your Area: Priorslee Ward

We will shortly be working in your area as part of our 'Pride in Our Community' investment programme. Between 2017 and 2019 an additional £45 million is being invested in improving the Borough's roads, pavements, street lights and structures. This includes the installation of energy efficient street lights and road signs and a programme of road lining improvements. A list of all highway and transport schemes to be delivered in your area over the next 12 months can be found at the end of this letter.

We will be carrying out a resurfacing scheme to improve the condition of the carriageway on Cloisters Roundabout. The work is due to start on the 14th May and is not expected to take more than **6 days (excluding Saturday / Sunday), weather permitting, to complete in your road**. The working hours (08:00 – 18:00) for the duration of the scheme. All traffic will be managed using Multi-Way Temporary Traffic Signals.

We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works. If you have any special access requirements while the works are in progress, please let the site operatives know.

Information about roadworks in Telford can be found at www.telford.gov.uk/roadworks. If you need to contact Telford & Wrekin Council about these improvements email highways@telford.gov.uk. Your contact will be logged and a member of the team will respond as soon as possible.

The following schemes are included in the Pride in Our Community programme for Priorslee Ward this financial year. We plan to deliver all projects by April 2019 at the latest.

If your property is going to be affected by any of these schemes you will receive detailed information before work starts.

Priorslee	
Scheme Type	Location
Drainage Improvements	Abelia Way
Road Marking Refreshment Programme	Various Sites
Road Safety Scheme	Priorslee Avenue

Dear Residents,

Telford & Wrekin Services Ltd will shortly be working on Cloisters Roundabout on behalf of Telford & Wrekin Council.

The works will involve carriageway resurfacing to improve the condition of the surface. We anticipate the works will commence on 14th May 2018 for 6 days, although these dates are weather permitting.

We will be working between 08:00 – 18:00hrs, to complete these essential works it will be necessary to close the road. Access to properties will be maintained at all times throughout the works but may be restricted for short periods. We will have people on hand to help you get past the working areas safely should you need to do so.

Whilst we will endeavour to minimise disruption we ask that you keep vehicle movements to an absolute minimum and not to park on the road. Please also ensure that children are supervised when near the working areas and all pets are kept away from the works.

If you wish to contact Telford & Wrekin Council about these improvements you should call 01952 384000 or email highways@telford.gov.uk.

We would like to apologise for any inconvenience. With your cooperation we will complete the work as quickly as possible. The Site Manager is Alexandra Edwards. For day-to-day issues, including any special access arrangements please contact her on 01952 567022.

I thank you for your co-operation in this matter.

Yours faithfully,

Telford & Wrekin Services Ltd
