The following is the agreed over-subscription criteria for Apley Wood Primary School, resulting from the Governing Body meeting on 4th October 2018:

Proposed oversubscription criteria for 2020/21 for Apley Wood Primary School
1. Those children who are or were previously looked after by Telford & Wrekin or any other local authority, A 'looked after child', or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. Children previously in state care outside of England and have ceased to be in state care as a result of being adopted, and then
2 Children who live in the school's defined attendance area.
If places are unavailable for all of these local children, then places will be given first to:
a) those children who have exceptional health reasons where there is written medical evidence that admission to the school is essential for their medical wellbeing; and then
b) those children who will have on the day of admission a brother(s), sister(s), step brother(s), step sister(s), half-brother(s) or half-sister(s) living as a family at the same address and who attend the school;
c) Pupils in receipt of early Years premium or pupil premium at the point of submitting the application request.
d) other children living in the school's attendance area.
3. Children Of Staff
4. Any places which remain available will then be allocated to applicants from outside the school's defined attendance area in the priority order a) to c)

The admission of the children of staff is defined in the admissions code as being in either or both of the following circumstances;

- a) *Where the member of staff has been employed at the school for two or more years at the time at which the application of admission to the school is made, and/or*

b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

If there are insufficient places for all children in any one category, places will be allocated on the basis of the distance between home and a central point in the school as measured by straight line distance with those closest having priority. Distances are measured using Telford and Wrekin Council's computerised mapping system.
