

Friends of Dothill Local Nature Reserve

The Henge

The Friends of Dothill Local Nature Reserve group is extremely active and works in partnership with Telford & Wrekin Council, Wellington Town Council and Shropshire Wildlife Trust in implementing the Conservation Management Plan that is in operation for the area.

The group is made up entirely of volunteers who undertake a range of activities including the management of bramble, reed mace and Himalayan Balsam, coppicing, hedge laying, path tidying and litter picking. They are also involved in wildlife surveys and recording valuable data of species that are present on the site.

Dothill LOCAL NATURE RESERVE

For wildlife and you

This haven for wildlife is a large area of green open space in the north west corner of Telford. It is owned by Telford & Wrekin Council and freely accessible to the public.

Although it is surrounded by residential areas and main roads, the Reserve is the tranquil home to a diverse number of habitats and species over a fairly gentle terrain.

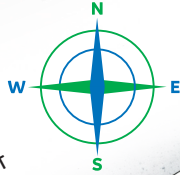

Tee Lake

The LNR comprises three main areas: Dothill Pool, Tee Lake and Beanhill Valley. There are lakes, streams, woods and open meadows. It is small enough

to explore within a few hours, yet large enough to be a peaceful retreat from everyday life. The Henge provides a focal point and central meeting area.

Parking is available a short distance from the west entrances to the Reserve at Admaston House Community Centre. The Pheasant Inn at Admaston is also conveniently close.

Bridges

- A** Admaston
- B** Shawbirch
