

<b>Group/Organisation Name</b>	<b>Get Active Event</b>
Hartshill Runners	Hartshill Runners are planning a new 10K race, incorporating a family fun run around the outskirts of Oakengates in October 2019. There are plans to offer a full training plan and tuition (16 week Couch to 10K) for Telford & Wrekin residents leading up to the event.
UK Run Events	The Telford and Wrekin Schools Half Marathon is looking to introduce exercise into the routine of primary school age children, at school – running a mile a week. The event will culminate at Oakengates Athletics track where pupils will complete their final 1.1 miles of the half marathon. The grant funding will be targeted to help support identified children to take part.
Wrekin Riders BMX Race Club	Wrekin Riders aim to introduce people from all ages and backgrounds to BMX. Targeting parents, grandparents, children, and vulnerable groups through a series of training/taster sessions to incentivise them to the club and facilities it offers. All sessions will lead to a club race at the end of September where participants will get to experience a real race day.
Great Dawley Town Council	Great Dawley Town Council is looking to provide a summer programme of free activities for the local community to access, encouraging them to get active. Sports include; tennis, cricket, crown green bowls, outdoor gym, guided walk, gentle chair exercises for a mixture of ages and abilities.
Telford T50 50 Mile Trail Consortium	Get Telford Walking is a mass participation event taking place on Sunday 19 May which will include short (1 – 2 mile) circular walks from all Telford GP practices along with longer walks from each practice onto the Telford T50 50 Mile Trail. The walks will use local footpaths then converge at Telford Town Park, at 3 pm. Walkers will optionally raise money for local charities via sponsorship.
Park Lane Centre	The Park Lane Centre is looking to provide an annual holiday and after school activity programme for local families and young people. The programme will induct participants into signing-up for the TLC card. Options will include cycling, circus skills, street sports, basketball, free play equipment and indoor activities at the community centre.
Arthog Outreach	This grant will support a number of community events, raising awareness of outdoor pursuits. Events include: a mobile climbing tower, walk to the Bluebell woods with Wellington and Arleston community through Short Wood Primary school. There will also be an open day at Short Wood centre, allowing people to experience outdoor activities, raise awareness of opportunities for orienteering, indoor climbing, archery, problem solving and bush craft.
Allscott Heath Sports Club	Allscott Heath Sports is looking to run a mass participation sports day event at the ground showcasing a range of clubs that run from

For everything you need to know about being healthy in Telford and Wrekin visit <https://healthytelford.wordpress.com/>

	the grounds including football, cricket, bowls, archery and other sports/activities.
Shropshire Cricket Board	Funding will support a range of cricket activities including family orientated soft ball cricket, women's (age 12+) soft ball, activities for children aged five to nine based on ECB All Stars programme supported by fully qualified coaches.
Donnington Partnership CIO	The Donnington Partnership is looking to establish a new running project with trained run leaders, leading couch to 5K (C25K) sessions taking place over 10 weeks leading to a mass participation event - the Donnington 5K.
Friends Of the Bowring Park	The Friends Of Bowring Park group is looking to hold a mass participation event in the park followed up by informal recreational / sporting activities, many led by qualified coaches and nearby coaching clubs that use the park. Activities will include sports tai chi, Zumba, women's and girls' softball, cricket taster sessions in conjunction with Shropshire Cricket Association amongst others.
Kick-start	Kick-start will be hosting four main roadshows and two smaller events taking place in the partnering villages of High Ercall, Ellerdine, Waters Upton, Edgmond, Tibberton throughout the summer with planned sports, games and fitness activities for all ages and all abilities. There will also be information sharing around health, fitness and well-being.
Sutton Hill Community Trust	This project will focus on getting more people active via family friendly activities and by providing access to a range of sports over the summer period. The main activities will consist of walking and a number of sessions for children over the summer holiday. Multi-sport sessions will also be held on the local MUGA and parks involving a wide range of activities.
Ketley Parish Council	The 'Get Active' project will form part of an overall community summer event offering the community a chance to try a wide variety of activities available locally. There will be activities benefitting the whole community suitable for all abilities and ages from baby yoga to litter picking, seated exercise with WellFit to archery at the Sinclair Sports & Social Club in Ketley.
A Better Tomorrow	This six-a side football festival will be based around awareness for recovery from substance misuse and mental health. It will also be a celebration in memory of the life of Carl Dowd Mckenzie, who was a well-respected member of the recovery fraternity. The celebration will continue at the local community centre in Woodside where there will be live music, refreshments and a chance for the community to get involved.
Telford Hornets RFC	The Hornets Rugby Club is planning 'Introduction to touch rugby' sessions at a variety of parks, pitches and 3G grounds around the borough. This non-contact sport is suitable for males and females and people from the age of six to 60 years can play at the club.

England Netball	A new Workplace Netball League is being held during May and June and will include basic training and practice as well as taster sessions. The sessions are aimed at novice players and those returning to netball - individuals or small friendship groups that will obtain some tuition from a Level-2 qualified Coach. The league will end with teams encouraged to group together to form a new team(s).
Shropshire & Telford United Women's Association	Shropshire & Telford United Women's Association is looking to introduce a variety of new activities including walking groups, indoor sports i.e. ladies football and aerobic classes. The group would also like to extend existing activities such as swimming and Tai-chi which are currently oversubscribed.
Grange Park Primary School	The Grange Park Primary School is looking to install a daily mile track/path to encourage children to walk/run at least a mile a day.
Wrockwardine wood C.E. Junior School	Wrockwardine wood C.E. Junior School is looking to install an all-weather track on the school field for "fit in 15" sessions each day. The all-weather track would allow all abilities at the school to exercise every day outside, safely and with their friends.
Lightmoor Village Primary School	Funding would support Lightmoor Village Primary School to install a new track, bringing the Daily Mile into the curriculum for the start of the autumn term 2019. The track would be put around the edge of the school field and will have a hard surface which enabling the mile to be carried out in virtually all weathers.
Lawley Primary School	The grant will go towards the cost of an all-weather track at Lawley Primary School to support a fun run (or walk) for pupils and get the whole community involved.
