

Equal Opportunities Charter

Updated: June 2023

Telford & Wrekin Council recognises that within our society many people can face significant disadvantage because of who they are and the characteristics they have. People from different ethnic, racial and national backgrounds, women, people who care for dependants, people with disabilities, people of all ages, people with criminal convictions, people with different sexual orientations and people who are or have changed gender identity often do not get a fair deal in employment matters because of direct or indirect discrimination, either intentional or unintentional.

People are often prevented from making the most of their potential. This is damaging to those who are discriminated against, those who discriminate and to organisations which fail to benefit from the skills and talents which people may have to offer. The Council is committed to opposing discrimination and promoting equality of opportunity by taking such appropriate steps as are within its power and within statutory provision. Telford & Wrekin Council recognises its obligations under various pieces of legislation relating to equality of opportunity and recognises the Disability Confident Scheme and the Armed Forces Employer Recognition Scheme.

Telford & Wrekin's Employment Equality Promise

Telford & Wrekin Council gives an undertaking that all its employees, and those who apply for employment, will be treated with fairness, respect, and dignity, regardless of race, colour, gender, sexual orientation, marital status, gender reassignment, care of dependants, age, disability, religious or political beliefs, pregnancy or maternity, or unrelated criminal conviction.

The Council will therefore: -

- Publicise this commitment to all of its employees and within the community at large.
- Encourage job applications from all sections of the community.
- Ensure that its employees receive appropriate training so that they can both understand and actively promote equal opportunity policies.
- Ensure that the Council's existing and future policies and conditions of service are applied fairly to all employees and are such that they can both promote equality of opportunity and seek to remove obstacles to its achievement.
- Guarantee an interview to applicants with a disability who meet the requirements of the post and do everything reasonably practicable to adapt jobs and premises to meet the needs of people with disabilities.
- Ensure that medical fitness requirements are determined having regard to the demands of the post, and that these requirements are applied fairly and consistently and do not unlawfully discriminate against those with particular medical conditions.
- Measure the effectiveness of its policies by regularly monitoring existing employees and job applicants as well as the publication of gender pay gap and other relevant workforce information and data.
- Ensure that any allegation of discrimination contrary to the provisions of this Charter is thoroughly investigated and that appropriate action is taken.

Guaranteed Interview Scheme

Under the Council's agreed Guaranteed Interview Schemes, the following groups will be guaranteed an interview if they meet the criteria for a job and tick the appropriate box on their on-line application.

Applicants with a disability

The Equality Act 2010 states that the protected characteristic of disability applies to a person who has a physical or mental impairment that has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.

If you apply for a job with the Council, we must consider your application and measure it against the criteria needed for the job. If you meet these criteria, you will be invited to an interview and you will be given the opportunity to tell us about any reasonable adjustments that need to be made during the recruitment process. If you apply via this scheme and are not shortlisted, we will contact you either by letter or telephone to explain the reason.

If you would like to speak directly to an employee who is disabled to find out what it is like to work for Telford & Wrekin Council, please contact Human Resources on 01952 383601.

Care Experienced Applicants

As a Council, we recognise that making the transition from local authority care into independent adult living can be a challenging time, particularly when it comes to finding employment.

In Telford and Wrekin, we have committed to treating care experience as an additional 'protected characteristic,' meaning that individuals who are care experienced will be given the same level of protection as other groups under the Equality Act 2010. As part of this commitment, we will guarantee an interview to individuals who indicate in their application that they are care experienced, and who meet the criteria on the person specification.

We recognise that not every person who is care experienced will choose to take advantage of this scheme as some will prefer to keep this private. This is always a personal decision.

Applicants who apply via this scheme and are not shortlisted will be contacted by letter or telephone to explain why.

Ex-Service Personnel

Telford & Wrekin Council is a gold award holder of the Armed Forces Employer Recognition Scheme and has signed the Armed Forces Covenant which encourages support for the armed forces community living and working in the Borough.

In recognition of the considerable transferable skills that those with an Armed Forces background can bring to the delivery of Council services and the challenges they can face making the transition to civilian life, we have committed to shortlisting all former service personnel who meet the criteria on the person specification for a post and who indicate this on their on line application, provided that:

- they are currently serving in the regular armed forces and are within 12 weeks of their discharge date; or
- the armed forces were their last employers; or
- since their discharge they have not had any significant continuous employment.

Applicants who are not shortlisted will be contacted by letter or telephone to explain the reason why.
