Note:

- All wheelchairs that are placed into vehicles licensed for hire & reward within the controlled district of Telford & Wrekin shall be secured in the approved manner as defined by the make and model of vehicle.

When you are about to book a taxi, spend a little time to think about what you want. Think about your own circumstances and of how the driver can help you to complete your journey with the minimum amount of trouble.

When this has been done, contact the company of your choice and give them, as much information as you can. It is important to inform them that you will be requiring to be transported in a wheelchair.

Remember:

- You must state when booking that you need a wheel chair accessible vehicle and give details of the type and size of your wheelchair
- Be ready and be sure you are loaded & secured into the vehicle in the approved manner (as detailed above.)
- If your wheelchair cannot be secured in the manner approved for that type of vehicle, the driver shall refuse to take you as it will be unsafe to do so.
