Type of Grave: (please tick chosen type) <div style="margin-top: 10px;"> <input type="checkbox"/> Lawn Grave This is the standard grave type in the council's cemeteries. Graves are laid out in rows in the lawned areas, and may be of a single or double depth. PLEASE NOTE: Floral tributes, vases etc, must only be situated in the HEADSTONE AREA. Lawn graves must have no memorials, fences, floral tributes, or vases placed directly over or on the grass/grave area. If this would be a preference then a traditional grave would be required. All items placed on the grass/grave area will be removed by the cemeteries staff without notice. </div> <div style="margin-top: 10px;"> <input type="checkbox"/> Traditional Grave This type of grave can have a headstone, full stone plinth, kerbs, memorials, floral tributes and vases placed directly over or on the grave area. These graves may be of a single or double depth. </div> <div style="margin-top: 10px;"> <input type="checkbox"/> Baby/Infant Grave A specially designated Memorial Garden for the burial of babies and infants is available at each of the cemeteries. The maximum dimension including any foundations will be 18" width x 36" length. </div> <div style="margin-top: 10px;"> <input type="checkbox"/> Garden of Remembrance Grave (Ashes) There is a Garden of Remembrance at each of the above cemeteries.
