Consideration of Applications

Where fewer than the published admission number (PAN) for any relevant age group are received, Haberdashers' Abraham Darby will offer places to all those who have applied. Haberdashers' Abraham Darby does not give priority to applications from pupils enrolled at particular schools.

Late Applications (taken from Telford & Wrekin's late application rules)

The policy on late applications for Haberdashers' Abraham Darby is in line with the Telford & Wrekin's Children's Services arrangements.

Preference Forms and, where appropriate, schools' own Registration Forms, received after the closing date, are classed as late applications. Any requests to change the name or ranking of a school made after the closing date will be classed as a late application.

Late applications will normally be considered for places after all the applications that were received by the closing date. Therefore, late applications may be less likely to be offered a place at one of their preferred schools.

If a Telford & Wrekin Preference Form is received after the closing date, the application will be passed to the appropriate admission authority for consideration under its Late Application Policy. Each admission authority is required to publish its own Late Application Policy for all Telford & Wrekin community and voluntary controlled schools is shown below which Haberdashers' Abraham Darby will comply with:

"The closing date for applications is 31 October. If, because of a substantial change in circumstances (such as moving house) your child's form is submitted late, or you need to change your preferences, we will be able to accept these until 23 January. Late applications and changes of preference are only usually acceptable where there is a very good reason like a house move or the severe illness of a single parent. Some proof will be required. If you have no exceptional reason for a late application, then we will not be able to consider your request at the initial allocation stage. If your application is received late, you will not receive a school allocation at the beginning of March, but your preferences will be considered at the review stage."

Procedures where Haberdashers' Abraham Darby is Over-subscribed

Where the number of applications for admission is greater than the published admissions number (180), applications will be considered against the criteria set out below. When Haberdashers' Abraham Darby is oversubscribed, after the admission of pupils with Education, Health, and Care Plans (EHCP) where the Academy is named on the EHCP, the criteria will be applied in the order in which they are set out below:

1. Looked after Children and Previously Looked after Children in accordance with the School Admissions Code of Practice, 10% of the agreed admission number of the pupils will be admitted on the basis of aptitude in music or sport, using a specified assessment process, which will be published on the Academy's website (this includes pupils living both inside and outside the designated admissions area). 6.66% (12) places will be allocated with a proven aptitude in music and 3.33% (6) places with a proven aptitude in sport. However, if fewer pupils qualify to be admitted under either proven aptitude in music or in sport, then the percentage

admitted under the other category could be increased accordingly. (For example, if only 5% were to qualify under Music, then up to 5% could be admitted under Sport). The Academy will seek to maintain this 10% balance in each year group; if a child originally admitted under criterion 2 subsequently leaves, the Academy reserves the right to admit a child under the admissions process using this criterion.

2. Children who live in the Academy's defined attendance area. If places are unavailable for all these local children, then they will be allocated first to:
 - a) Those children who have exceptional health reasons where there is written medical evidence that admission to the Academy is essential for their well-being; and then
 - b) Those children who have a sibling, on the day their application is submitted, that attend the Academy full-time (from Years 7 to 13) living as a family at the same address (siblings include: a brother, sister, step brother, step sister, half-brother, or half-sister).
 - c) Other children living in the Academy's defined attendance area.
3. Children of staff at the Academy (living both inside and outside the designated admissions area, including peripatetic staff):
 - a) Where the member of staff has been employed at the Academy for two or more years at the time at which the application for admission to the Academy is made, and/or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
4. Any places which remain available will then be allocated to applicants from outside the Academy's defined attendance area in the priority order 1 to 4 as above.

If there are insufficient places for all children in any of the above categories, places will be given on the basis of straight-line distance between a central point in the Academy buildings and a central point in the child's home address. The distances will be measured using the Telford & Wrekin's computerised mapping system which is Geographical Information System. The defined area is published on Telford & Wrekin's website www.telford.gov.uk and is set out in Telford & Wrekin's composite prospectus.

If there are insufficient places for all applicants and we cannot distinguish between two or more applicants using these criteria (such as children who live in the same block of flats or who are the result of a multiple birth) available places will be allocated randomly by drawing lots.

Children who are **Looked After (in public care)** are those children who are the subject of a court order, and the local authority shares parental responsibility with the natural parents, or others who hold parental responsibility; and children who are looked after by the local authority under a voluntary agreement with the parent. This criteria includes children who were previously looked after but ceased to be so because they were adopted or became subject of a residence order or special guardianship order immediately following being looked after.

A child's **home address** is classified as the permanent residence of the parent(s) or legal guardian(s) who has care of the child. There must be evidence it is not temporary or for the purposes of gaining advantage to seek admission. The Local Authority or Academy may ask for proof in such cases where it may be suspected that unfair advantage is being sought by applicants on the issue of residence. Where a child lives separately with each parent (who have shared responsibility) for part of the week, the address where the child spends the majority of the week will be classified as the home address for the purposes of admissions. In the event of equal shared care, parents must opt to use one address for all the preferences expressed.

The admission of children with **Education, Health, and Care Plans (EHCP)** will be in accordance with parental preference as far as is possible and will be agreed between the parent, the Academy, and the Local Authority. These admissions will be counted towards the Academy's Published Admission Number.

Operation of Waiting Lists for Admission to Year 7

Where in any year Haberdashers' Abraham Darby receives more applications for places than there are

places available, a waiting list will operate. All unsuccessful Year 7 applicants can be placed on the Academy's Waiting List which is maintained by the Local Authority on behalf of the Academy. Parents need to contact Telford & Wrekin's admissions team to ask for their child to be placed on the waiting list of Haberdashers' Abraham Darby **Email:** admissions@telford.gov.uk.

Children's position on the waiting list will be determined solely in accordance with the over-subscription criteria set out on page 3. Where places become vacant, they will be allocated to children on the waiting list in accordance with the published over-subscription criteria 1-5.

In-Year Admission Arrangements for Admitting Pupils to Other Year Groups

Any parent can apply for a school place for their child at any time outside the normal admission round. Subject to any provisions in the Local Authority's co-ordinated admission arrangements relating to applications submitted for years other than the normal year entry, Haberdashers' Abraham Darby will consider all such applications and if the year group applied for has a place available, admit the child unless one of the permitted reliefs apply.
