Weather affecting collections

If we are unable to empty your purple top bin, blue bag, red top bin or food caddy, please leave these containers out in a safe place and we will collect them as soon as possible. If we are unable to empty your green bin, please take it back in and put it out on your next scheduled collection day.

Recycle Right this Christmas

Visiting the Household Recycling Centre?

What does your boot look like?

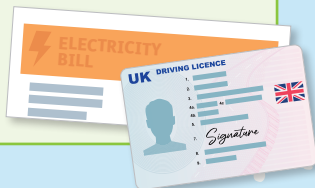

Make your visit to the HRC much quicker by **separating out your recycling and rubbish** so you can dispose of it as you make your way around the site.

Don't forget your proof of address

To use the HRCs, you will need to show proof of your address in the Telford & Wrekin Council area. For example a **recent utility bill or driving licence**. This could also be **digital identification** – like your My Telford app, a supermarket app or anything recent which has your address on.

Batteries cause fires!

Keep everyone safe by recycling them in a **clear container on to of your purple top bin**.

Or, recycle them at your HRC.

Textile Recycling

You can recycle any textiles on your recycling collection day. Just place any clothes in a clear bin bag and present next to your purple top bin.

Or, recycle them at your HRC.

Park smart

Vehicles obstructing the road may prevent your bins from being collected on time this Christmas.
