**Cancellation / non-attendance policy:** All cancellations of course bookings must be made via email. Unfortunately a phone call cannot be accepted as a means of cancellation. All bookings will remain on our system until written confirmation is received.

For courses with a delegate fee, a charge of 35% will normally be incurred if a delegate place is cancelled within 7 days of the course date. The full course fee will be charged for any delegate who does not arrive for a course for which a place has been booked and not cancelled in advance of the course date. In exceptional circumstances, where a course is running again within the same academic year, we will do our best to move delegates across to the next course date.

For courses which are free of charge i.e. either funded or included in your package, any delegate failing to attend, and not cancelling their place in advance of the course date, will incur a £15 delegate fee to cover administration and any refreshment and venue costs.

#### Cancellation / non-attendance policy for Blended Paediatric First Aid Training:

Due to the limited number of participants that can be accommodated per session, the following cancellation policy applies to ensure fair access and effective planning.

Cancellation within 14 days of the course date 50% charge

Cancellation within 7 days of the course date 100% charge
