Why do some people think that Jesus is inspirational? Year ³⁄₄

About this unit:

This unit of RE for Telford & Wrekin SACRE focuses on why Jesus is seen as inspirational by some people by exploring key aspects of Jesus' life and teachings. Pupils in year 3 consider the impact that believing in Jesus will have on a believer's life and reflect on the importance of Jesus for Christians today by considering the celebrations at the festival of Holy Week and Easter. In this unit, pupils will have the opportunity to explore how Jesus is represented in art and reflect on the meaning of these different interpretations. They will also have the opportunity to interview a visitor about the importance of Jesus for them. The themes addressed in this unit are inspirational people; teachings and authority; beliefs and questions; religion and the individual and symbols and expression. These themes are exemplified mainly through the religion of Christianity, although some reference to another religion can be made. Teach the concept of 'inspiring' carefully through the unit of work.

Estimated time for this unit (in hours) 10-12 hours of tuition. Teaching can be flexible.

Where this unit fits in:

This unit builds on what pupils have already learnt about the importance of Jesus for Christians through their study of Christmas and Easter in Years 1 and 2. It aims to enable progression by using biblical stories and beginning to challenge pupils to make links between the material studied and their own lives. Invite a local Christian - a minister or a lay person - to talk to the class about why Jesus is important to them and the difference believing in Jesus makes to their life. This is an important part of the opportunities this unit can provide. Sometimes Christian parents can help with this.

KEY STRANDS ADDRESSED BY THIS UNIT

- Religious beliefs, teachings and sources
- Religious forms of expression
- Questions of identity and belonging
- Questions of values and commitments

ATTITUDES FOCUS: the unit provides opportunities for the development of these attitudes:

- Feeling confident about expressing their own beliefs about the importance of Jesus
- Developing skills of listening and a willingness to learn from others' views about Jesus, even when different from their own.
- Being willing to learn and gain new understanding from others people's beliefs about Jesus
- Developing pupils' capacity to respond to questions about the importance of Jesus, and the ways in which he is an inspiration to Christian people today.

This unit makes contributions to the personal development of children:

- Spiritually, by learning about and reflecting on important concepts, experiences and beliefs that are at the heart Christianity;
- Morally, by considering what is of ultimate value to pupils and believers through studying the key beliefs and teachings of Christianity;
- Culturally, by considering how beliefs about Jesus have been expressed through the creative and expressive arts and encountering the creative and expressive arts from differing cultures

Expectations: A	t the end of this unit
Nearly all pupils will be able to (L2)	 Use religious words and phrases, such as parable and miracle to identify key aspects of Jesus' life and teachings. Show awareness of how different people describe Jesus Retell some stories of Jesus Identify how Jesus has been represented in different ways. Suggest a meaning from a story of Jesus or a symbol of Jesus. Respond sensitively to questions about the importance of Jesus for themselves and others.
Many pupils will be able to (L3)	 Use a developing religious vocabulary, such as resurrection, forgiveness to describe key aspects of Jesus' life and teachings. Begin to identify the impact that believing in Jesus has on a Christian's life. Describe some ways in which Jesus has been represented in art or music Make links between some Christian beliefs and some stories about Jesus found in the New Testament. Ask and consider some important questions of their own about Jesus, making links between their own and others' responses.
Some pupils will be able to (L4)	 Use a developing religious vocabulary, to show their understanding of what Jesus means to Christians Describe simply some different interpretations of Jesus' teaching and life. Show that they understand why Jesus is portrayed in many different ways in art. Make connections between some New Testament stories about Jesus and Christian beliefs. Raise and suggest answers to, questions about the importance of Jesus and the impact that believing in him would have on a believer's values and commitments.

SMENT SUGGESTIONS: A Possible final assessment task:

RE needs an assessment for learning approach to gathering evidence of pupils' achievements. There is not a particular need for every unit to produce assessment outcomes on paper.

Speak and listen: Using verbal responses, artistic and creative skills and written responses from children to weigh up evidence of achievement is best with this age group. Teaching assistants can make records as seems suitable to the team, for the purposes of continuous assessment for learning.

- Pupils are to imagine that they have been asked by a local Church to design a new stained glass window, which celebrates the life and teachings of Jesus or the festival of Easter. Their design needs to be eye catching, inspiring and informative and show the importance of Jesus for Christians today. It should use a saying or verse from one of the gospels as it's title (give pupils a choice). Pupils to write an explanation: 'Six reasons why our design is good for the Christian community' (less than 100 words).
- These prompts might be useful:
- The main things about our stained glass window are...
- We got some good ideas from... •
- We are pleased with our design because...
- We took a Bible verse for our inspiration. It was... we chose it because... •
- Our design shows some ideas about Jesus, for example...
- The reasons why the Christians would like our window are... and... and...

Your local church may like to host an 'exhibition' of the work that comes from this unit and this task.

Pupils can be asked to remember to:

- Illustrate important moments from Jesus' teachings / life which show the significance of Jesus for Christians.
- Show that you understand why Jesus is important to Christians.
- Use ideas from works of art you have studied and from the Bible
- Suggest why your design would be suitable for a Church near you.

That there is no authentic visual image of Jesus; To make links between artistic images of Jesus and the artist's beliefs and background; To understand how images of Jesus are expressions of faith and worship; To reflect upon their own interpretations of stories and teachings of Jesus.	 Is Jesus inspiring because of his life story? If you were writing a book about someone, what important details would include? Collect ideas in pairs for some chapter outlines. Although the Gospels say a lot about what Jesus said and did, there is no written description of him, and paintings were not done until maybe150 years after his death. Why might this be? Explain that all images of Jesus are influenced by the artist's experiences, beliefs and background. Pupils are to look at a number of pictures of Jesus by different artists. They are to think about the following questions: What do you notice about the way that Jesus is drawn in this picture? What do you think the artist is trying to say about Jesus? What did the artist get from the Bible? What did the artist add to the Bible themselves? Art work: If appropriate, pupils could create their own picture of Jesus thinking carefully about what they want to show about Jesus, the setting for their picture and what they want Jesus to be doing. They should explain why they have drawn Jesus like this. One way of doing this is to give the pupils a choice of five or six stories of Jesus to illustrate (this task anticipates and prepares for the final assessment task in this unit). 	L2 Respond sensitively to some images of Jesus from the global Christian art of today L3 Identify similarities and differences in the way in which Jesus has been portrayed Describe how the artists show their ideas about Jesus L4 Show understanding of what the images of Jesus show about the beliefs of the artist Apply my own ideas about the meaning and purpose of Jesus' life and teachings	Links to Art Links to ICT There are many photo packs available that contain different images of Jesus. Is Jesus inspiring because he helped people to be happy? Jesus teaches people about what makes us really happy Read a children's version of the Happiness sayings of Jesus (The Beatitudes) Matthew 5: 3-12. These sayings are about being "Blessed" (happy). They contain advice on how Christians should live their lives. Jesus' list of 'happiness statements' is very different to the values most people live by. Provide children with a set of 8 cards, each one giving a simplified version of the saying of Jesus. Ask them to pick one each and explain to their partner what they think it means. Collate a class list of ideas about what Jesus said would make people happy. E.g. you are happy if you care for others. Ask children to make a collage to show some of the things Jesus said made people happy and things that make them happy / sad. Would anything be the same? Consider similarities and differences. Ask the pupils to think about what makes them happy. Give each pupil a card with a picture / description of something that might make them happy. Allocate the four corners of the room to the following: very important, important, not that important, not important at all. Pupils are to imagine that they have just seen Jesus perform the miracle they explored previously. In pairs / threes pupils are to do a radio interview about this miracle.
