

## Jewish Festivals

### Hanukkah

This is a festival that lasts for \_\_\_\_\_ days. It celebrates the Jewish battle against the Greeks to practice their religion freely.

To celebrate they lit a lamp which lasted for Eight days instead of one. The festival takes place in the month of \_\_\_\_\_. They light a candle each night on a special candle holder called a

\_\_\_\_\_. Children play with a spinning top called a \_\_\_\_\_. Families eat special potato cakes called \_\_\_\_\_ and other oily food to remind them of the importance of the oil lamp. Presents are also given at this time.
