Dear T&W Council Members,

We would like to express our delight at reading Mr Hetherington's comments on the T&W Local Plan. We believe that it is imperative that the routes of the old canal network should be preserved and any development near them should be sympathetic to future restoration, as he argues.

As S&N trust members we spend a lot of our free time happily taking part in work parties along the canal at Newport and at Wappenshall. Many members of the public express to us as they walk by, how they hope the canal can be reopened one day and how much they would welcome a long distance path along the route from Norbury to Shrewsbury.

With best wishes,
Ruth and Terry Otter
