11/11/24	Direct Payment Website review	FM			<p>To review Live well Telford/T&W website/Employer & Personal Assistants handbooks including links and FAQ, FAQ to include how to pay contribution. Small project group to co-produce this. Use ALD site as an example board members said this is laid out well and user friendly.</p> <p>16/12/24: FM to lead small project group to get this piece of work completed</p> <p>20/01/25: Still in progress.</p> <p>05/06/25: Had some feedback, AD will also be involved within project. Still in progress.</p> <p>09.06.2025: FM to speak to AD about what information needed. Still in progress</p> <p>6/10/25: In progress</p>

				<p>12/1/26: An update was provided regarding the review of the direct payment website. It was confirmed that the website review does not overlap with the "Making Prevention Real" initiative. A subgroup meeting is scheduled for 9 February to review the website content, including its structure, tone, and language. The aim is to ensure the information is clear, comprehensive, and user-friendly. Invitations for the meeting will be circulated, and the subgroup will focus on identifying gaps, redundancies, and areas for improvement.</p> <p>16/3/26: AD attended and outlined plans for a direct payments campaign aimed at improving understanding and awareness, particularly for those moving from children to adult services, and invited feedback to shape its key messages. Participants stressed the need for clear, simple explanations of direct payments, their benefits—especially flexibility—and how these depend on well-developed care plans, alongside better guidance on usage and support for families who may struggle to manage them. They also highlighted challenges such as limited access to social workers, inflexible care plans, and difficulties during transition, and suggested solutions including training, user-friendly resources, mentoring, and improved financial management tools. AD confirmed that this</p>

				feedback, including the use of case studies and lived experience, would inform the campaign.
11/11/24	Direct Payment Banking options	JM/FM		<p>To investigate the option of Direct Payment pre-payment cards. Is this possible, risks and costs to Council and direct payment recipient?</p> <p>16/12/24: FM to meet with JM to look at options, options paper to be written if viable including pros and cons and presented at DP board. If viable following comments from DP board this will need to go to T&W Assurance board for consideration.</p> <p>20/01/25: Still in progress</p> <p>05/06/25: Business Case drafted for consideration following demos of potential solutions. The options paper includes Money carer, Virtual wallet and EML cards.</p> <p>09.06.2025: JM – still in process – lots of elements to consider, and to incorporate into a document, we will still offer a bank options. Confirms this will not all be online.</p> <p>6/10/25: Agreed to reword action from pre-payment cards to Direct Payment banking options as this is wider than pre-payment cards. Following a review of what options are available in the market. It is unlikely we will go with a cost option if there is an option that does not cost. Demo of Money Carer (Monika) for next DP Board meeting agreed for 17th November.</p> <p>12/1/26: The group revisited the topic of banking options for direct payments, including a previous</p>

				<p>demonstration of the Monika system. It was noted that initial claims of no costs associated with Monika were later contradicted, as charges apply for accounts below a certain threshold. This was seen as disappointing and raised concerns about transparency.</p> <p>A pilot project with Tribe, a Telford-based company in collaboration with Keele University, was discussed. Tribe offers a hub of information connecting individuals to free and paid support, with an attached funding account. The pilot is in its early stages, and further information, including a demo, is awaited.</p> <p>16/3/26: SJ to arrange Tribe demo for next DP Board meeting.</p>
11/11/24	Online access to Fairshare direct payment accounts	FM		<p>FM to contact Fairshare to see if this is an option.</p> <p>16/12/24 Response from Fairshare they are currently working with their software company to determine if this is possible, FM to keep monitoring.</p> <p>20/01/25: To remain an open item on action log and request update from Fairshare periodically.</p> <p>09.06.2025: FM spoke to Fairshare, they are currently merging companies and developing an app etc but most probably be the end of the year before we have further feedback.</p> <p>6/10/25: No further update</p> <p>12/1/26: The group discussed the transition of Fairshare to its new identity as Just Credit Union. FM confirmed that she had contacted John</p>

					<p>Harrow, the manager of Just Credit Union, to arrange a meeting to discuss online access. John indicated that he needed to consult with the Shrewsbury branch, as they previously had online access in place. The merger of the branches under the new name was noted, and it was hoped that this would facilitate progress in enabling online access. FM committed to following up and arranging a meeting to explore the possibilities further. The group acknowledged the importance of online banking for both recipients and the council, as it simplifies monitoring and account management.</p> <p>16/3/26: Fran to follow up with Fair Share regarding the possibility of introducing online banking functionality.</p>
11/11/24	MIH Finance Workstream (Review of all ASC Financial documentation that is sent out to people including: Financial Declaration & Notification letters)	SJ		Subgroup members: DR: Parent with lived experience SR: Direct Payment recipient LH: ASC NH:ASC SP: ASC AW: DP recipient AA: Parent with lived experience	<p>Review of current financial declaration form – to be co-produced with DP & MIR board.</p> <p>16/12/24: With SJ not yet started</p> <p>20/01/25: Not yet started</p> <p>Update: SP has requested MIR lead on this due to the effect on all people requiring a financial assessment. MIR will feed through to DP board members for comments.</p> <p>09.06.2025 SP will provide further update for next meeting.</p> <p>6/10/25 The first Making it happen Finance subgroup meeting booked for 13th October 11 till 1pm. Venue TBA</p> <p>12/1/26: The financial documentation for adult social care is undergoing a review as part of the</p>

				<p>ML: Parent with lived experience SJ: ASC</p>	<p>Making It Happen finance work stream. The financial declaration document was highlighted as a priority, with significant amendments being made to simplify and improve its usability. Research into examples from other local authorities informed the revisions. A draft version of the updated document is expected to be shared for feedback shortly. The group noted the importance of ensuring the document incorporates all relevant feedback and is accessible for users. The next steps include circulating the draft and gathering input from stakeholders to finalise the document. Next subgroup meeting TBA.</p> <p>16/3/26: MIR has reviewed the draft copy, once all necessary amendments have been made SJ will now schedule time with the Design team to create the form. Our next subgroup meeting will take place on 20/03/2026, during which we will examine the financial assessment letters.</p>
11/11/24	Emergency contingency fund & Direct payment flexibility	JM			<p>Clarification is required on what a person can spend their direct payment on (can they have more information on – clarity of how much you are giving us and what it is for). SJ to speak to EC.</p> <p>16/12/24: Emergency contingency planning is already in the CAA and review can look at reviewing this to ensure we include direct</p>

					<p>payment contingency amount. In respect of the DP. SJ to progress</p> <p>20/01/25: Not started, SJ to speak to EC Update: Allocated to JM to progress</p> <p>05/06/25: Business Case drafted and submitted for consideration.</p> <p>09.06.25: Still in process</p> <p>12/1/26 The group discussed the need for robust contingency planning within direct payment support plans. It was noted that contingency plans were not always adequately recorded, leading to delays when families needed to make adjustments. BT and AA provided examples of how contingency planning could allow for flexibility in using direct payments to access alternative services when regular providers were unavailable. The group agreed that contingency planning should be explicitly included in support plans to avoid unnecessary delays and ensure needs are met promptly.</p> <p>Contingency Funds: The discussion also covered contingency funds in direct payment accounts. JM suggested creating a separate line in plans for emergency contingency payments to improve tracking and reporting. The group agreed on the importance of balancing flexibility for families with the need for accountability in managing public funds. JM to discuss with EC whether contingency funds should be a fixed amount or a percentage and finalise the approach.</p>

				<p>16/3/26: The lack of flexibility in care plans was identified as a significant challenge. Participants shared examples of situations where they were unable to use funds due to rigid care plans. They emphasised the need for care plans to include caveats allowing for flexibility in using funds with approved providers. RT shared good practice examples. Training sessions to be developed for staff.</p>
11/11/24	Care Plan training for people receiving care	CH/SP		<p>Video recording co-produced with board, SJ to speak to EC poss lead by Business systems support (NH) 16/12/24: with SJ not yet started 20/01/25: NH and CH to lead. Update: SP has requested MIR lead on this due to the fact it affects everyone who requires a Care Plan. MIR will feed through to DP board members for comments. 09.06.2025: SP to update at next meeting 6/10/25: This is now sat with MIR board, CH/SP to update 12/1/26: Update from MIR board: The group discussed the need for training and guidance on care plans for individuals receiving care. SP highlighted that this topic would be addressed as part of the Making It Real and Making It Happen forward plan. The February agenda includes a review of the Care Act assessment and review processes, with a focus on support plans. The</p>

				<p>group agreed that creating a video recording on care plans would be beneficial for both professionals and members of the public. This resource would aim to improve understanding of the care planning process and ensure that individuals and families are better equipped to engage with their care plans effectively.</p> <p>16/3/26: Bing led by the MIR board, SP will update at each meeting.</p>
11/11/24	T&W remittances	SJ		<p>Remittances from T&W do not show what the payment is for, this causes confusion when people are receiving more than one payment from T&W i.e. direct payment and fostering payment.</p> <p>16/12/24 SJ has spoken to the purchase ledger team at T&W these are corporate invoices but there may be a possibility of adding something to these however this will need to be discussed at a corporate level. SJ will pick this up.</p> <p>JM confirmed that when the Client Finance portal is implemented, we will be able to send a breakdown of the DP. It was also raised that a credit note does not state you need to call to have the credit refunded into your bank account. SJ will feed this back due to this being a corporate template.</p> <p>20/01/25: SJ still looking into this as it is a corporate template may take some time to change.</p>

				<p>05/06/25: As part of the Client Finance Portal we are testing the remittance that can be sent.</p> <p>09.06.2025: Few technically issues, but hoping to role out in phases, clients will have a choice of paper or log on</p> <p>6/10/25: On hold with supplier further development needed</p> <p>12/1/26: Progress has been made with the development of the Portal, awaiting further update from provider this is an issue for all sites who have the portal not just T&W.</p> <p>16/3/26: Awaiting update from supplier</p>
11/11/24	Training for recipients of direct payments	FM		<p>Face to face & video recording co-produced with DP board</p> <p>16/12/24: with FM not yet started</p> <p>20/01/25: Still in progress. FM confirmed that £100 DP is made for PA training, some of the DP board members were not aware of this. Information regarding this to be added to forms and website.</p> <p>09.06.2025: FM – has not started any face to face or video, though has started a how to guide for the DP forms, how to fill them in and FAQs for both staff and recipients. Looking at language to make it simple.</p> <p>Needs to speak to SP regarding the videoing of the training.</p> <p>Still in process – will pass to making it real board to see if anything else needs to be added, e.g. questions they may get asked but not covered.</p>

				<p>12/1/26: The meeting discussed training opportunities for individuals receiving direct payments, particularly those employing personal assistants (PAs). Mark Bates Ltd, an organisation providing insurance for PA employers, offers free PA employer workshops. These workshops are designed for employers, PAs, and staff involved in direct payments. Leona has provided information on these workshops and expressed willingness to attend a future meeting to discuss the training options in more detail. Additionally, Mark Bates Ltd offers training for PAs, which can be funded using the £100 PA training allowance provided to individuals. They offer various training packages, including bronze, silver, and gold options, as well as bespoke training. It was suggested that guidance on available training options be compiled and shared.</p> <p>The group also discussed the potential for broader training or guidance on direct payments which could align with the care plan training initiative. This could include information on contingency planning and the flexibility of using direct payments for various providers. The idea of involving individuals already using direct payments to share their experiences was also raised.</p> <p>16/3/26: There is a need for comprehensive training and resources for direct payment recipients to support them in their roles as</p>

				<p>employers. Leona from Mark Bates attended the meeting to give an overview of what support is available through them. Leona suggested that Mark Bates Insurance could provide workshops or recorded training sessions on topics such as employment law, redundancy processes, and how to effectively use insurance policies.</p> <p>Attendees agreed that recorded training materials would be particularly beneficial, as they could be revisited as needed and made available to new recipients on an ongoing basis. It was suggested that these resources could be hosted on the council's website to ensure accessibility.</p> <p>The group discussed the potential for collaboration with payroll providers to create additional training materials. It was noted that some recipients may benefit from coaching or mentoring during the initial stages of managing direct payments to ensure they fully understand their responsibilities.</p> <p>Leona reiterated that Mark Bates Insurance is available to provide ongoing support and training, including face-to-face workshops and online resources. She encouraged attendees to make</p>

				<p>use of the legal advice helpline and other support services included with their insurance policies.</p> <p>Videos from Mark Bates and any other insurance companies on what they offer as part of their service to be added to DP website.</p> <p>Video from payroll companies on what they do and offer.</p> <p>Recorded training sessions, user guides, and online resources are being worked on to provide ongoing support and refreshers to DP recipients and their representatives on Direct payments.</p> <p>Fran to progress.</p>
12/01/26	PA & Micro provider list	SJ/EM		<p>12/1/26: A query was raised regarding the progress on determining responsibility for managing the PA list, which also includes Micro providers. It was noted that recent changes within Adult Social Care have caused some delays. However, an interim leader is now in place, and progress is expected to resume shortly. This concerns Personal Assistants (PAs) and Micro providers who wish to be featured on Live Well Telford as part of the online directory.</p> <p>16/3/26: Awaiting name of person who will be responsible for the PA providers on Live Well. Micro providers will be managed through Tribe.</p>

11/11/24	Disability related expenditure guidance	SJ		5/6/25	<p>This has been co-produced with MIR board and shared with the DP board member awaiting final sign off. This will then be distributed and added to the various web pages. 16/12/24 Board members would like time in next DP Board to go through the guidance and provide feedback. They also expressed other people should be given the option to comment and would rather spend a bit more time ensuring its right poss letter to people asking for comments on questions/ consultation, SJ will add to the agenda for the next meeting and speak to SP and CH regarding consultation and further time, we need to consider the time this will take and weigh it up</p>

				<p>against the extra time it will take to get this into practice.</p> <p>20/01/25: As agreed via email correspondence prior to the meeting the DRE guidance will now go live and staff training to take place, as this is guidance and not a policy it would not be appropriate to put out to wider consultation. However, the guidance will be reviewed on an ongoing basis. DP board reviewed the guidance and advised more information needed regarding Transport E.g. Link to Dial a Ride, SJ can add these before the launch of the guidance. There were also concerns in respect of the NHS and ASC working differently in respect of what is classed as a health or social need, i.e. they will not provide incontinence products for behavioural need.</p> <p>EC to speak to AB regarding this so conversations can continue regarding what are health and what social care needs are.</p> <p>SJ to keep updating website with DRE examples, DP board members said they are happy to assist with the examples.</p> <p>5/6/25: Completed</p>
11/11/24	Notification letter review	SJ	N/A	<p>Financial assessment notification letters Co-produced with DP & MIR board. NB invoices are corporate templates and cannot be amended by ASC however we can forward comments.</p> <p>16/12/24: Not yet started</p> <p>20/01/25: Not yet started</p>
