

TELFORD & WREKIN COUNCIL (HAYGATE ROAD, WELLINGTON) (INTRODUCTION OF A ZEBRA CROSSING) NOTICE 2022

NOTICE IS HEREBY GIVEN that Telford & Wrekin Council (“The Council”), in exercise of its powers conferred by Sections 23 and 25 of the Road Traffic Regulation Act 1984 proposes to establish a pedestrian zebra crossing with controlled areas on the following length of road specified in the schedule to this Notice.

The proposal is as follows: -

Schedule – Zebra Crossing	
Haygate Road, Wellington	The centre of crossing is located approximately 115.5 metres north-east of its junction with Herbert Avenue. The crossing with its controlled areas covers an approximate length 41 metres.

1. The zebra crossing has controlled areas (zig-zags) on both sides of the zebra crossing point. These controlled areas will have standard 8 zig-zags on either side of the crossing area, except for the north east side of the road approaching the crossing for the south west. This section will only consist of 6 zig-zags. This ensure that the controlled area on that side of the road, fits in-line with the construction and layout of the road network.
 2. The Zebra Crossings will take the form as described in Schedule 14, Part 2, item 52 of The Traffic Signs Regulations and General Directions 2016 (As amended).
 3. A copy of the Notice and Plan may be inspected online at www.telford.gov.uk/tro
 4. Persons wishing to object to this Notice should do so in writing stating the grounds on which the objection is made by 16/03/2022 to: Network Management, Transport and Highways Development, Darby House, Telford & Wrekin Council, TF3 4JA or traffic.schemes@telford.gov.uk.
