Dear Peter

The Inspector has advised that he is not able to give a definite date at the present stage but he is hoping that this will be possible before the end of July.

Kind regards

Tina – as regards the email below of 10th May with the response from the Inspector, given that on 9th June 2017, T&WC uploaded to the Examination Library the information requested, could you please ask the Inspector if he can give any indication as to when he expects that the draft Major Modifications to the eLP will be issued for public consultation.

Peter Chadwick
