Funding Statutory Services for Schools - 2023/24 Central Schools Services Block and De-delegation

1 Background

- 1.1 Many of the local authority's statutory functions for schools had been funded from the Education Services Grant (ESG) which ceased in 2017/18. A few had been funded via central top slices agreed by the Schools Forum. In 2018/19 some of these funding streams were brought together into the new Central Schools Services Block (CSSB), a new DSG block.
- 1.2 The current arrangements have therefore now been in place for several years, but in order to see clearly the overall cumulative effects of the DfE's policies over the last few years, it is useful to separate the local authority and school impacts.
- 1.3 Firstly from an LA budgetary perspective:

Table 1: ESG and Schools Budget Funding of LA Services – LA Income

		£'000					
	14/15	17/18	18/19	19/20	20/21	21/22	22/23
ESG	2,805	592	0	0	0	0	0
Central top-slice from all schools including academies for services formerly funded by ESG	0	510	845	835	859	884	884
Central top-slice for BSF (CERA)	342	0	0	0	0	0	0
Central top-slice for asset management (CERA)	252	0	0	0	0	0	0
Central top-slice for admissions	392	357	0	0	0	0	0
Central top-slice for safeguarding	25	25	0	0	0	0	0
Central top-slice for schools forum	17	17	0	0	0	0	0
Total central top slices from all schools including academies	1,028	909	845	835	859	884	884
De-delegation from maintained schools only for services formerly funded by ESG	0	350	480	389	391	399	390
De-delegation for behaviour support	52	0	0	0	0	0	0
De-delegation for Multi-Cultural Development	0	0	0	0	0	0	0
De-delegation for Free School Meal eligibility checks	17	24	25	23	23	24	30
Total de-delegation from maintained schools only	69	374	505	412	414	423	420
Total funding for LA services from ESG and school budgets	3,902	1,875	1,350	1,247	1,273	1,307	1,304

- 1.4 Thus from an LA perspective, funding for school services is a third of the total in 2014/15.
- 1.5 The picture from a schools budgetary perspective is as follows:

Table 2: Contributions from Schools Budgets to LA Services

	£'000						
	14/15	17/18	18/19	19/20	20/21	21/22	22/23

De-delegation for Multi-Cultural Development Team	0	0	0	0	0	0	0

Total	1,097	873	940	837	863	897	894

- 1.6 Despite the abolition of the ESG, partly replaced by contributions from the CSSB to central services, the contribution from schools to central services reduced compared to 2014/15 and has since been around £900,000. The substantial contributions from 2018/19 onwards towards statutory services formerly funded by ESG has been partly offset by the additional funds added to Schools Block in 2017/18. In addition, the ending of CERA (both BSF and asset management) reduced the call on DSG.

2 2023/24 Funding of Statutory Services for Schools

- 2.1 Although the DfE has created a specific block for statutory central services, any funding for these services is still subject to an annual Forum vote

- 2.2 This means that for 2023/24, as for the last four years, there will be two Forum votes, the first by the whole Forum covering services funded from the CSSB, the second by maintained school Forum representatives only, covering statutory services for maintained schools only, funded by de-delegation.
- 2.3 Central retentions for statutory duties are calculated at an individual school level based on an amount per pupil. We replicate the DfE's previous scaling arrangements with regard to ESG for special schools (4.25) and PRUs (3.75).
- 2.4 With regard to the information provided to the Forum in order to decide how to vote, the suggested evidence in section 34 of the ESFA's operational guide for 2023/24 is as follows:
- planned total spending for 2023 to 2024 on each of the headings set out at Annex 3 [included as Appendix B to this paper];
 - spending shown to at least the level of detail provided in the 2023 to 2024 section 251 budget statement
 - comparable figures for previous years' spending, split where relevant between those relating to all schools and those for maintained schools only
 - consequences for the funding and delivery of each of the services provided if the request was not approved
 - the impact on individual school budgets and their overall financial position
 - the impact on the local authority if the amount was not held centrally
 - detail of the results of the equalities impact assessment carried out to assess the impact of the central retention of the funding on children or other people who have one or more of the protected characteristics under the Equality Act 2010.
- 2.5 The details of the request for 2023 to 2024, including this information, are shown in Appendix A.
- 2.6 For services for all schools, the cash amounts requested are the same as 2022/23. For services for maintained schools the sums per pupil are the same as 2022/23, resulting in a similar amount to be de-delegated as 2022/23. The local authority will absorb the impact of inflationary pressures.
- 2.7 The CSSB allocation to T&W is reducing per pupil by 2.5% per year, as protection is removed. In addition to local authority services, the CSSB also funds the cost of national licences for schools purchased by the DfE. Neither the local authority nor schools have any control over this sum.
- 2.8 *The Forum is asked to approve the amounts detailed in Appendix A for statutory central services in 2023/24. If there is insufficient resource in the Central School Services Block to fund the identified amounts for the services, the amounts will be reduced so that the total matches the allocation. In the unlikely event that there are any remaining funds in the Central Schools Services Block, they are planned to be allocated to high needs, as in previous years.***
