

Our ingredients

Where our food comes from

Fresh Fruit, Salads and Vegetables - selected by Rowlands in Shrewsbury.

The Welsh Sausage company - based in Welshpool make our award winning sausages, gluten free meat balls and 70% natural Beef Burgers. They are reduced fat, reduced salt and free from artificial colourings and flavourings.

Eggs - we only use Free Range eggs which are supplied by Clun Farm Eggs a family run business. The hens are fed high quality food which is sourced locally to give a rich golden coloured yolk.

Fish - our fish is MSC accredited in line with the Marine Stewardship Council, we only use fish from a sustainable source.

Yoghurt - supplied by Village Dairy, made from wholesome Welsh milk in the Vale of Clwyd, North Wales.

Meat - our meat is Red Tractor sourced in the UK.

Cheese - produced in Nantwich, Cheshire.

Dried, frozen and chilled goods - sourced locally from Bikold in Ludlow from a network of local producers.

THANK YOU to our suppliers for their continued support and helping us with our special event days

We're working with our schools to increase our use of sustainable items. All of our disposable packaging for sandwiches and wraps are plant based and fully compostable.
