

Free Online Educational Resources

This list might help those affected by school closure due to Coronavirus/ COVID-19. All of the resources are free. The first, SAM Learning is already funded and provided for all Horizon School pupils who should have a personal log in. However, the rest of the resources are available to any school aged pupil.

We suggest parental guidance and cannot be held responsible for the content but know they are well-used and respected resources.

Provider	Link	Subject Area/ Comment	Age range
The Khan Academy	https://www.khanacademy.org	Good for maths and computing for all ages. Other subjects at Secondary level. <i>Uses the U.S. grade system but it's mostly common material.</i>	All ages
