If places are unavailable for all of these local children, then places will be given first to:

b) those children who will have on the day of admission a brother(s), sister(s), step brother(s), step sister(s), half-brother(s) or half-sister(s) living as a family at the same address and who attend the school;

b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Any places which remain available will be allocated to children living outside of the school's attendance area on the priority order 2a)-b).
If there are insufficient places for all children in any one category, places will be allocated on the basis of distance between home and school as measured by straight line distance with those children closest to the school having priority.
Distances are measured using the Council's computerised mapping system.

Definitions used in the above criteria

Distance - If there are insufficient places for all children in any one category, places will be allocated on the basis of distance between home and school as measured by straight line distance with those children closest to the school having priority. Distances are measured using the Council's computerised mapping system.

Siblings - A sibling connection is defined as a brother or sister, step-brother or step-sister, half-brother or half-sister, living at the same address as part of the same family unit and of compulsory school age (i.e. 5-16 years). Adopted siblings are also included. Older siblings must be attending the school on the date the younger sibling is due to start. However, cousins or other relatives who take up residence in a home in order to establish an 'in catchment area' address will not be given priority under the sibling criterion.
