

Outreach Activities

Multi Activity and Skills Expedition to Majorca Easter 2020

We are pleased to announce that Arthog Outreach, as part of its adult development programme, will again be running a multi activity trip to Majorca for some fun in the sun.

Dates - Sat 4th April to Sat 11th April.

Activities - We will have mountain biking, rock climbing, hill walking & scrambling activities throughout the week for people of all abilities to participate in. We will help you explore the beautiful local area, while you develop skills and gain confidence in your chosen activity. We will also be supporting road biking and we can help you arrange your own activities such as scuba diving or sea kayaking.

Cost – We are hoping to price between £499 and £525, though with the future uncertain cannot commit to this at this stage. This would include instruction, transport, meals and accommodation while in Majorca.

Flights are not included.

To express interest or for further information please contact,

Alan Braybrooke or Martin Callaghan on 01952 387378 or email outreach@arthog.co.uk.
Places are limited so first come first serve.
